Subject: pre-draft permit for John Day dam
Attachments: 081918_John_Day_WA0026832_pre_draft_permit_v1.docx

Hi Jamey, Just FYI. I don't know if you're changing the permit, but I thought I'd share with you what I did. There were some suggestions that Susan had re edits on effluent limit tables and compiling all BMP requirements in Appendix B that were in the body of the permit. They weren't major changes, so it's probably not worth changing for you, but just wanted to keep you in the loop in case.
